GLOBAL PLATFORM FOR
DISASTER RISK REDUCTION

INDONESIA
23-28 MAY 2022

Asia Disaster Management and Civil Protection Expo & Conference 2022 (ADEXCO 2022) is held alongside with the 7th Session of The Global Platform for Disaster Risk Reduction. With the theme *“Reinforce Our Future, From Indonesia To The World”*, ADEXCO 2022 present the local solution and technology due to disaster management to be known globally. ADEXCO is a key platform for disaster management industry in Asia, especially Indonesia.

Beside the exhibition, there is Rumah Resiliensi Indonesia (RR-I). RR-I was held to reflect the spirit of *Gotong Royong*, which mean multi-stakeholder collaboration due to disaster management of the people of Indonesia, both from the Government ministries / institutions and non – government organizations / institutions, from local, national and international levels.
